Subject: LA City Cluster was Not Accepted

Dear LA Cluster Colleagues

I am disappointed in having to let you know we were not selected by CARB on our recent LA City Cluster Proposal. CARB received 38 proposals valued at 290 million and are trying to award up 9 projects using FY15 and FY17 (not committed yet) funds.

We have arranged for a debrief with CARB on April 6th and will advise you of what we learn at that meeting.

I want to specifically thank both Susana Reyes of the Mayor's office and Scott Biasco of LADWP for the extra effort they provided to make the proposal happen

I do still believe we have a very strong cluster of fleets and hope to work with each you over the course of time to find ways we can assist you in obtaining the funding you need. Please feel free to call me any time.

Thanks

Fred
